

Poster Instructions

- The size of the poster should not exceed 85cm in width and 100cm in height.
- Title and authors must be the same as stated on the submitted abstract. Text, illustrations, etc. should be large enough to be read from a distance of 1.5 m. This means that font size should be at least 24.
- You must use adhesive tape, or blue tack, in order to attach your poster to the board.
- Please refer to the web program, or to the program book that you will receive upon arrival at the Conference, for the session day and the poster board number assigned to you.
- The poster board number indicates the position for each poster in the exhibition hall. Please check your poster number in the program.
- The poster session will start each day at 13:15 pm and end at 14:00. No other session is held in this time period.
- Posters should be set up early in the morning of the assigned day, and remain on display until 17:00 of that day.
- If you wish to distribute handouts, photocopies, etc. you should bring them with you. The conference will not provide copying facilities.
