

PAPERS / PRESENTACIONES ORALS / PRESENTACIONES ORALES

	Name / Nom / Nombre	Institution / Institució / Institución	Title / Títol / Título	Area / Àrea / Área
1.	Abugov, Netta Ravid, Dorit	Tel Aviv University	The development of noun plurals in Israeli Ultra-Orthodox Yiddish: A psycholinguistic study in a variational socio-cultural context	Later language acquisition (beyond age 5)
2.	Albert, Milagros Tolchinsky, Liliana	Universitat de Barcelona	Un robón no es lo mismo que un señor que roba: el desarrollo de la estructura formal y semántica	Language acquisition in atypical population
3.	Alonqueo, Paula Villagrán, Natalia	Universidad de La Frontera, Chile	¿Desfase o convergencia? La producción y comprensión de los verbos copulativos ser/estar	Later language acquisition (beyond age 5)
4.	Andrés-Roqueta, Clara Clemente, Rosa Ana	Universitat Jaume I	Pragmática y comprensión de modismos en niños y niñas con TEL: análisis cualitativo de los errores.	Language acquisition in atypical population
5.	Andreu, Llorenç Sanz-Torrent, Mònica Buil Legaz, Lucía Subirats, Alba Cáliz, David MacWhinney, Brian	Universitat Oberta de Catalunya Universitat de Barcelona Carnegie Mellon University	Denominación de objetos y acciones: Efecto de la estructura argumental en niños con y sin Trastorno Específico del Lenguaje (TEL)	Language acquisition in atypical population
6.	Barriga Villanueva, Rebeca	El Colegio de México	Escribe tu cuento de las ranas	Later language acquisition (beyond age 5)
7.	Bel, Aurora Perera, Joan Rosado, Elisa	Universitat Pompeu Fabra Universitat de Barcelona	El papel de los pronombres de sujeto en la adquisición de la referencia	Early language acquisition
8.	Belinchón, Mercedes Murillo, Eva Barrios, Mireia Sánchez, Vicente	Universidad Autónoma de Madrid Unidad de Salud Mental Infanto-Juvenil, Hospital Reina Sofía	Lexical development in young children with autism: A longitudinal study	Language acquisition in atypical population
9.	Benet, Ariadna Cortés, Susana Lleó, Conxita	University of Hamburg	Acquisition and maintenance of the Catalan laterals /_/_/ and [l_/_] in two different sociolinguistic environments of Barcelona	Early language acquisition
10.	Bohnacker, Ute Rosen, Christina	Uppsala University Linne University	Language specific constraints on information structure: A problematic area for L2 learners?	Later language acquisition (beyond age 5)
11.	Bosch, Laura Solé, Jorgina Figueras, Melània Iriondo, Martí Krauel, Xavier	Universitat de Barcelona Hospital Sant Joan de Déu	Differences between categorization and recognition tasks in preterm infants	Language acquisition in atypical population

12.	Canals, Eulalia	Universitat Autònoma de Barcelona	Social Factors that contribute to the successful acquisition Catalan and Spanish Tense and Aspect by Moroccan Children	Language acquisition in atypical population Later language acquisition (beyond age 5)
13.	Caravolas, Marketa Salas, Naymé Efrim, Corina Schoffelova, Miroslava Malkova, Gabri	Bangor University Comenius University Université Blaise-Pascal, CNRS Charles University	El desarrollo de morfemas derivativos en 5 lenguas: español, inglés, francés, checo y eslovaco	Later language acquisition (beyond age 5)
14.	Casla, Marta Aguado-Orea, Javier Rujas, Irene Mariscal, Sonia	Universidad Autónoma de Madrid Universidad de Castilla La Mancha UNED	Estudio de la comprensión lingüística temprana en español mediante el paradigma de preferencia visual intermodal	Early language acquisition Tools for studying language
15.	Chenu, Florence Fayol, Michel Jisa, Harriet Maggio, Séveri Lété, Bernard	CNRS & Université Lyon 2 Université Blaise Pascal	Lexical development across modalities and text types	Later language acquisition (beyond age 5)
16.	Clemente, Rosa Ana Andrés, Clara Villanueva, Lidón Adrian, Juan E.	Universitat Jaume I	La implicación de la interacción lingüística en la comprensión infantil de las emociones	Early language acquisition
17.	Cortés, Susana Ramon-Casas, Marta Benet, Ariadna Bosch, Laura Lleó, Conxita	Research Centre on Multilingualism, University of Hamburg Universitat de Barcelona	Perception and production of a vowel contrast by Catalan-Spanish bilingual children as a function of language dominance	Early language acquisition
18.	Dalton, William	McGill University	L2 allophony: Can native-like phonetic output be achieved?	Later language acquisition (beyond age 5)
19.	De Mulder, Hannah	UiL OTS - Utrecht University	Mental Language: Contributions from Theory of Mind and Linguistic Development	Early language acquisition
20.	Do, Young Ah	MIT Linguistics	I know, but I don't want to!	Later language acquisition (beyond age 5)
21.	Esteve-Gibert, Núria Prieto, Pilar	Universitat Pompeu Fabra	The development of prosodic patterns in Catalan-babbling infants	Early language acquisition
22.	Ezeizabarrena, Maria-José Arratibel, Nekane Garcia, Iñaki	Universidad del País Vasco Mondragon Unibertsitatea	Adaptación al euskara del MacArthur-Bates III (CDI-III)	Early language acquisition

	Ipiña, Nagore			
23.	Ferman, Sara Kishon-Rabin, Liat Ganot, Hila	Tel Aviv University	Specific Language Impairment is not specific to language: both procedural and declarative memory systems are impaired	Language acquisition in atypical population
24.	Fernández Fuertes, Raquel Licerias, Juana M.	Universidad de Valladolid University of Ottawa	Interlinguistic influence in simultaneous bilingual acquisition: null subjects and copula omission	Early language acquisition
25.	Foppolo, Francesca Panzeri, Francesca	University of Milan-Bicocca	Is a half-full glass "full"?	Early language acquisition
26.	Fullana, Natalia Miralpeix, Imma	Universitat de Barcelona	Phonological and lexical development in a foreign language: A longitudinal study	Later language acquisition (beyond age 5)
27.	Gallego, Carlos Puig, Berta Mariscal, Sonia López Ornat, Susana	Universidad Complutense de Madrid UNED	Repetición de palabras y pseudopalabras en niños entre 2 y 4 años	Early language acquisition
28.	García-Alcaraz, Estela Bel, Aurora	Universitat Pompeu Fabra	Selección y distribución de los pronombres en el español L2 de los hablantes de árabe	Later language acquisition (beyond age 5)
29.	Georgiafentis, Michalis Varlokosta, Spyridoula	University of Athens	The development of information structure and the acquisition of word order in young Greek children	Early language acquisition
30.	Gonzalez Gomez, Nayeli Nazzi, Thierry	Université Paris Descartes- CNRS	Learning of non-adjacent phonological dependencies in the first year of life	Early language acquisition
31.	Granfeldt, Jonas	Lund University	What did X do with Y? Development of object clitic omissions in an elicitation task	Early language acquisition
32.	Hickmann, Maya Ochsenbauer, Anne-Katharina	CNRS & Université de Paris 8 Ludwig-Maximilians-Universität, München	Location and changes of location in German and French child language: General and language-specific factors in acquisition	Perspectives on language acquisition
33.	Hijazo-Gascón, Alberto	Universidad de Zaragoza	Do Italians and Germans 'move' in the same way when they speak Spanish? The Frog story in Spanish as a Second Language	Later language acquisition (beyond age 5)
34.	Højen, Anders Nazzi, Thierry	University of Southern Denmark	Danish 20-month-olds process minimal vocalic differences in novel words	Early language acquisition
35.	Ji, Yinglin Hendriks, Henriette		How children express motion events in Chinese and English: universal and language-specific influences	Perspectives on language acquisition
36.	Kas, Bence Lukacs, Agnes	Research Institute for Linguistics, Hungarian Academy of Sciences	Spontaneous language markers of specific language impairment in Hungarian	Language acquisition in atypical population
37.	Keren-Portnoy, Tamar DePaolis, Rory Vihman, Marilyn	University of York James Madison University	Dynamic interactions between production and perception in infancy	Early language acquisition

38.	Kim, Meesook	Sangji University	Syntactic Priming in Children's Production of Passives	Later language acquisition (beyond age 5)
39.	Kjærbaek, Laila Basbøll, Hans	University of Southern Denmark	Phonology-morphology interaction: Acquisition of Danish noun plurals as a test case	Early language acquisition
40.	Kong, Stano		The comprehension of count-mass distinctions in L2 Chinese	Language acquisition in atypical population
41.	Kuehnast, Milena Roepert, Thomas	Centre for General Linguistics (ZAS), Berlin University of Massachusetts Amherst	Adversative sentences as a window on the acquisition of anaphoric contrast in Bulgarian	Later language acquisition (beyond age 5)
42.	Kupersmitt, Judy Sandbank, Ana	Al-Qasemi College Beit-Berl College of Education	Evaluative density in Spanish and Hebrew written fables: a developmental study of forms and function	Later language acquisition (beyond age 5)
43.	Lee, Shinsook Joh, Jeongsoon	Korea University	Cross-language Production of Korean-English Bilinguals and Korean EFL Learners	Later language acquisition (beyond age 5)
44.	Li, Yu	Emory University	Perceptual and Productive Differentiations of Phonemic Contrasts by Infant Word-Learners	Early language acquisition
45.	Lintfert, Britta Möbius, Bernd	University of Stuttgart University of Bonn	A novel approach to analyzing the development of prosodic categories in child language	Tools for studying language
46.	Llanes, Àngels Muñoz, Carme	Universitat de Barcelona	Study Abroad, Age And Accuracy: The Impact of Learning Context and Age on Accuracy	Later language acquisition (beyond age 5)
47.	Llauradó, Anna Tolchinsky, Liliana	Universitat de Barcelona	Uso del léxico y nivel de formalidad en diferentes tipos de texto	Later language acquisition (beyond age 5)
48.	Llinàs-Grau, Mireia Pladevall, Elisabet Capdevila, Montserrat	Universitat Autònoma de Barcelona	That-deletion in the written production of L2 learners of English	Later language acquisition (beyond age 5)
49.	López Ornat, Susana Nieva, Silvia Martínez, María	Universidad Complutense de Madrid UNED	La diferenciación categorial Nombres-Verbos en la transición a la gramática temprana	Early language acquisition
50.	Lozano, Cristóbal	Universidad de Granada	The development of pronominal subjects at the syntax-discourse interface by Greek learners of Spanish	Later language acquisition (beyond age 5)
51.	Lustigman, Lyle	Tel-Aviv University	From Opacity to Transparency in Early Child Hebrew	Early language acquisition
52.	Maré i Soler, Pau	Universitat de Girona	Alguns aspectes relacionats amb la transferència de la L1 en l'adquisició dels CP del català (L2)	Later language acquisition (beyond age 5)
53.	Martínez, Verónica Díez-Itza, Eliseo	Universidad de Oviedo	Desarrollo fonológico de 3 a 6 años: etapas, procesos y restricciones	Early language acquisition
54.	Mehotcheva, Teodora	Universitat Pompeu Fabra	Lexical Foreign Language Attrition	Perspectives on language acquisition

55.	Mora, Joan Carles Keidel, James L.	Universitat de Barcelona University of Manchester	Experience effects on the perception and production of four vowel contrasts in highly proficient Catalan-Spanish bilinguals	Later language acquisition (beyond age 5)
56.	Naves, Teresa	University of Barcelona	The very long-term effects of an early start in EFL acquisition: Learners' Multiple Profiles	Perspectives on language acquisition
57.	Olate, Aldo Alonqueo, Paula	Universidad de La Frontera, Chile Universidad de Concepción, Chile	"Lo llevaron a la rana". La expresión del movimiento en el castellano hablado por niños mapuche	Later language acquisition (beyond age 5)
58.	Omar, Hayat	Université Lumière, Lyon2	The Use of Contrastive Markers in Amharic speaking Children's Narratives: the case of <i>dämmo</i> and <i>-mm</i>	Later language acquisition (beyond age 5)
59.	Oropeza, Elsa Viviana	Universidad Nacional Autónoma de México	El discurso referido en las etapas tempranas de la adquisición	Early language acquisition
60.	Palou, Juli Birello, Marilisa	Universitat de Barcelona	Actitudes y adquisición. Las actitudes de los alumnos no autóctonos ante los procesos de adquisición de la lengua	Later language acquisition (beyond age 5)
61.	Pérez Pereira, Miguel Díaz Rodríguez, Carmen Fernández Fernández, M. Pilar Gómez Taibo, M. Luisa Peralbo Uzquiano, Manuel Resches, Mariela	Universidad de Santiago de Compostela Universidad de A Coruña	Inicios del lenguaje y la comunicación en niños prematuros	Language acquisition in atypical population
62.	Pérez-Vidal, Carmen	Universitat Pompeu Fabra	A Study Abroad Context: Effects of learner differences on L3 Written Competence	Later language acquisition (beyond age 5)
63.	Pitale, Shalmalee Sarma, V.	IIT Bombay	The Acquisition of Gender in Marathi Nouns	Early language acquisition
64.	Reinelt, Rudolf	Ehime University, Matsuyama, Japan	Testing Late Formal L3 Speaking Acquisition	Later language acquisition (beyond age 5)
65.	Roy, Penny Chiat, Shula Dodd, Barbara Piper, Jo Jaufeerally, Lina	City University London	Is language as poor as it looks? Assessment of language potential in socio-economically disadvantage	Tools for studying language
66.	Saldaña, David Rodríguez, Isabel de los Reyes Moreno, Francisco Javier González, Inmaculada Luque, Alfonso Aguilera, Antonio	Universidad de Sevilla	Lectores con autismo y supervisión lectora: no saben que no comprenden	Language acquisition in atypical population

67.	Santaolalla, Gemma Mayor, M ^a Angeles Zubiauz, Begoña Peralbo, Manuel		Diferencias cognitivas, lingüísticas y discursivas de los textos argumentativos elaborados por estudiantes sordos y oyentes de la ESO	Language acquisition in atypical population
68.	Sebastián, Eugenia Galeote, Miguel Rey, Rocío Checa, Elena	Universidad Autónoma de Madrid Universidad de Málaga Equipo de Intervención y Desarrollo Infantil (SIDI) IES Huerta Alta	El desarrollo morfosintáctico temprano de los niños con síndrome de Down	Language acquisition in atypical population
69.	Serrano, Jèssica Serrat, Elisabet Rostan, Carles Pujol, Jordi	Universitat de Girona	La relación del lenguaje con la teoría de la mente a los 6 años de edad	Later language acquisition (beyond age 5)
70.	Serrat, Elisabet Serrano, Jèssica Feijóo, Sara	Universitat de Girona Universitat de Barcelona	El entrenamiento como método para estudiar el desarrollo del lenguaje	Tools for studying language
71.	Shiro, Martha Montes, Rosa	Universidad Central de Venezuela	"No quiero!" Oponerse al interlocutor en la interacción de niños en edad escolar	Later language acquisition (beyond age 5)
72.	Solé, Maria Rosa Soler Vilageliu, Olga	Universitat Autònoma de Barcelona	La explicitación de la causalidad y el efecto del andamiaje del adulto en las narraciones infantiles	Later language acquisition (beyond age 5)
73.	Soriente, Antonia	Università di Napoli "L'Orientale" & Max Planck Institute for Evolutionary Anthropology	Error analysis in the verbal morphology of a bilingual Indonesian-Italian child	Early language acquisition
74.	Tragant, Elsa Llanes, Àngels Serrano, Raquel	Universitat de Barcelona	The effect of 'length of stay' on the development of L2 written performance in the case of Erasmus students	Later language acquisition (beyond age 5)
75.	Trenchs Parera, Mireia Juan Garau, Maria	Universitat Pompeu Fabra Universitat de les Illes Balears	Catalan/Spanish bilingual learners studying English abroad	Later language acquisition (beyond age 5)
76.	van Kampen, Jacqueline Schippers, Rianne	Uil OTS, Utrecht University	Prepositions and particles in the acquisition of Dutch	Early language acquisition
77.	Westergaard, Marit Bentzen, Kristine	University of Tromsø	The acquisition of finiteness and inversion in English and Norwegian wh-questions	Early language acquisition
78.	Zaba, Aleksandra Lleó, Conxita	Research Center on Multilingualism at the University of Hamburg	The production of schwa by German-Spanish bilingual children	Early language acquisition
79.	Zhang, Yanyan	National Institute of Education, Singapore	An experimental study of how language games facilitate university students' SLA	Perspectives on language acquisition
